EUGENE A. DePASQUALE
AUDITOR GENERAL

Mr. Andrew Peters, Vice President
Kittanning Volunteer Firemen's
Relief Association
Armstrong County

We have conducted a compliance audit of the Kittanning Volunteer Firemen's Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2017 to December 31, 2019.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain an independent confirmation of the investment balance directly from the financial institution. Therefore, while the relief association provided copies of investment statements that indicated that, as of December 31, 2019, the relief association had an investment balance with a fair value of \$115,412, we were not able to verify this investment balance.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2017 to December 31, 2019, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Failure To Segregate Relief Association Officers’ Duties

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

Background	1
Finding and Recommendation:	
Finding – Failure To Segregate Relief Association Officers’ Duties	3
Supplementary Financial Information	5
Report Distribution List	7

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>
Kittanning Borough	Armstrong	\$15,422	\$14,056	\$15,170

The volunteer firefighters’ relief association and the affiliated fire service organizations are separate, legal entities. The relief association is affiliated with the following fire service organizations:

Kittanning Hose Company No. 1

Kittanning Hose Company No. 4

Kittanning Hose Company No. 6

KITTANNING VOLUNTEER FIREMEN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Failure To Segregate Relief Association Officers' Duties

Condition: During and subsequent to the current audit, we detected that the same individual holds the position of both secretary and treasurer.

Criteria: Prudent business practice dictates that the duties of the secretary and treasurer be sufficiently segregated. An adequate segregation of duties is the primary internal control intended to prevent or decrease the risk of errors or irregularities.

The minimum requirements of the secretary's position, pertaining to a relief association, are to maintain detailed minutes of meetings authorizing the relief association's financial operations. The secretary should review and coordinate the amending of the bylaws governing the relief association so that the bylaws meet the minimum requirements of Act 118.

The minimum requirements of the treasurer's position, pertaining to a relief association, are to maintain an account of all funds belonging to the relief association. The treasurer shall maintain a journal and ledger detailing all financial transactions of the relief association along with documentation supporting the receipts and disbursements. The treasurer should co-sign all negotiable instruments along with another relief association officer. Also, financial statements should be prepared at least on an annual basis by the treasurer.

Cause: Relief association officials indicated that they were unaware that one person holding the position of both secretary and treasurer negates the internal controls associated with the segregation of duties.

Effect: An inadequate segregation of duties could prevent relief association officials and members from effectively monitoring the relief association's financial transactions. Additionally, it negates the checks and balances necessary to detect and correct financial errors or irregularities in the relief association's accounting system.

Recommendation: We recommend that the relief association officials ensure that there is adequate segregation of duties between the relief association's secretary and treasurer. We also recommend that the relief association officials review its accounting and internal control procedures to ensure that the duties being performed by the secretary and treasurer are sufficiently segregated so that relief association assets are adequately safeguarded. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

KITTANNING VOLUNTEER FIREMEN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Management's Response: Relief association management agreed with the finding as presented and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
