Mr. Mark Freeburn
Chief Executive Officer
Helen M. Simpson Rehabilitation

Harrisburg, PA 17109

Dear Mr. Freeburn:

At the request of the Department of Human Services (DHS), we have performed the procedures enumerated below on the submitted cost report (Form MA-336) of Helen M. Simpson Rehabilitation Hospital for the fiscal year ended June 30, 2016. The purpose of these procedures was to certify the costs detailed in the facility's submitted MA-336 cost report. The results of these procedures are detailed below and in the adjustments section of our issued final amended MA-336 cost report. DHS will use our final amended MA-336 cost report to set the Medical Assistance reimbursement rate for this new facility.

Our engagement was limited to the procedures outlined below and was not conducted, nor was it required to be, in accordance with auditing or attestation standards issued by the American Institute of Certified Public Accountants (AICPA) or the Comptroller General of the United States.

Helen M. Simpson Rehabilitation Hospital (the facility) is responsible for maintaining financial records supporting the costs, charges, and days included in the facility's submitted MA-336 cost report. DHS is responsible for the reliability of the data generated from the Provider Reimbursement and Operations Management Information System (PROMISE™).¹

¹ PROMISE™ is a Web-based application for registered providers. PROMISE™ is a HIPAA-compliant claims processing and management information system. <https://www.dhs.pa.gov/about/Pages/Online-Services.aspx> accessed 4/6/20.

We performed the following DHS-requested procedures which resulted in the associated adjustments and/or no adjustments, as noted.

1. Compared total paid MA days, MA charges, and MA discharges for the Diagnostic Related Groupings (DRG) detailed on the facility's submitted MA-336 Cost Report to the actual data supplied in the Cost Settlement Report dated 2/26/20 and provided by DHS from PROMISe™.
 - We determined adjustments were warranted as a result of this procedure; therefore, the final amended cost report includes the actual paid MA days, MA charges, and MA discharges for the DRG detailed in the Cost Settlement Report, dated 2/26/2020, provided by DHS from PROMISe™. Refer to adjustments #1, #2, and #3 on the Amended Adjustment Report.
2. Compared total costs and total charges included in the facility's submitted MA-336 Cost Report to the total costs and total charges included in the facility's trial balance.
 - No adjustments were warranted as a result of this procedure.
3. Compared the number of beds available, number of bed days, and total inpatient days included in the facility's submitted MA-336 Cost Report to the corresponding numbers included in the facility's final accepted Medicare Cost Report.
 - No adjustments were warranted as a result of this procedure.
4. Compared the cost allocation statistics for the new facility in total, included on the facility's submitted MA-336 Cost Report, to the cost allocation statistics included in the facility's final accepted Medicare Cost Report and the facility's documentation on statistics.
 - No adjustments were warranted as a result of this procedure.

We also performed procedures in addition to those requested by DHS to attempt to determine the reliability of paid MA days, MA charges, and MA discharges data included in the DHS' PROMISe™ Cost Settlement Reports. We considered the evaluation of this data to be necessary to certify the costs detailed in the facility's submitted MA-336 cost report.

Based on the results of those procedures, and as communicated to DHS management, while we concluded that data related to paid MA charges as detailed in PROMISe™ were reliable, we concluded that the actual paid MA days and MA discharges data detailed in the PROMISe™ Cost Settlement Report, dated 2/26/2020, is of undetermined reliability. However, DHS confirmed that, for their purposes and use of our issued amended MA-336 cost reports, it was not necessary for us to conduct any further procedures to attempt to determine the reliability of that data, such as comparing data in the PROMISe™ system to supporting source documents at the facility. Therefore, users of this report should take into consideration that the evidence upon which we relied, at DHS' request, to calculate paid MA days and MA discharges is of undetermined reliability.

Based on the results of the procedures noted above, except for the effects, if any, of the matter described in the preceding paragraph, we certify that the facility's reasonable costs of providing inpatient hospital care under the Commonwealth's Medical Assistance Program as detailed in the final amended MA-336 cost report are accurately stated in all material respects.

This report is intended solely for the information and use of DHS to set the Medical Assistance reimbursement rate for this new facility, and is not intended to be, and should not be, used by anyone other than the specified party.

We appreciate the cooperation, assistance, and courtesy granted our representatives by your officials and the staff of the Helen M. Simpson Rehabilitation Hospital.

Sincerely,

Eugene A. DePasquale
Auditor General
