TIMOTHY L. DEFOOR AUDITOR GENERAL

Commission Officials Tiadaghton Valley Regional Lycoming County Jersey Shore, PA 17740

We have conducted a compliance audit of the Tiadaghton Valley Regional Police Pension Plan for the period January 1, 2017 to December 31, 2020. We also evaluated compliance with some requirements subsequent to that period when possible. The audit was conducted pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives.

The objectives of the audit were:

- 1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report; and
- 2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report, we inquired of plan officials and evaluated supporting documentation provided by officials evidencing that the suggested corrective action has been appropriately taken. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- We determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the period under audit.
- We determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation.
- · We determined that there were no employee contributions required for the years covered by our audit period due to the fact that employee contributions were appropriately waived by the municipality.
- · We determined that there were no benefit calculations prepared for the years covered by our audit period
- · We determined whether the January 1, 2017, and January 1, 2019 actuarial valuation reports were prepared and submitted by March 31, 2018, and 2020, respectively, in accordance with Act 205 and whether selected information provided on these reports is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

Commission officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Tiadaghton Valley Regional Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials, and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our procedures indicated that, in all significant respects, the Tiadaghton Valley Regional Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Partial Compliance With Prior Audit Recommendation – Incorrect Data On Certification Form AG 385 Form Resulting In An Overpayment Of State Aid

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Tiadaghton Valley Regional and, where appropriate, their responses have been included in the report. We would like to thank regional plan officials for the cooperation extended to us during the conduct of the audit.

October 25, 2021

Timothy L. DeFoor Auditor General

#### BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Tiadaghton Valley Regional Police Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 600 - Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 767 et seq.

The Tiadaghton Valley Regional Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 07.26.2010, as amended, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the regional police commission and its police officers. The plan was established January 1, 2010. Active members are required to contribute 5 percent of compensation to the plan; however, member contributions were eliminated during the audit period. As of December 31, 2016, the plan had 11 active members, 3 terminated members eligible for vested benefits in the future, and 6 retirees receiving pension benefits.

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN STATUS OF PRIOR FINDING

### Partial Compliance With Prior Recommendation

Tiadaghton Valley Regional has partially complied with the prior recommendation concerning the following:

#### · Incorrect Data On Certification Form AG 385 Resulting In An Overpayment Of State Aid

During the current audit period, the regional reimbursed \$11,824 to the Commonwealth for the overpayment of state aid in 2014 and 2016; however, plan officials again failed to fully comply with the instructions that accompany Certification Form AG 385 to assist them in accurately reporting the required pension data as further discussed in the Finding and Recommendation section of this report.

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN FINDING AND RECOMMENDATION

### <u>Finding – Partial Compliance With Prior Audit Recommendation – Incorrect Data On</u> <u>Certification Form AG 385 Resulting In An Overpayment Of State Aid</u>

Condition: As disclosed in the Status of Prior Finding section of this report, the regional commission partially complied with the prior recommendation by reimbursing the Commonwealth for the overpayment of state aid received in 2014 and 2016. However, a similar condition occurred during the current audit period. The commission certified an ineligible police officer (2 units) and overstated payroll by \$29,484 on the Certification Form AG 385 filed in 2020. Officials certified an employee who started employment on August 5, 2019, and did not accumulate sufficient service time to qualify for certification according to Act 205. The data contained on this certification form is based on prior calendar year information.

<u>Criteria</u>: Pursuant to Act 205, at Section 402(e)(2), in order to be eligible for certification, an employee must have been employed on a full-time basis for at least six consecutive months and must have been participating in a pension plan during the certification year.

<u>Cause</u>: Plan officials failed to establish adequate internal control procedures, such as having another individual review the data certified, to ensure compliance with Act 205, the instructions accompanying Certification Form AG 385 and this department's prior recommendation.

<u>Effect</u>: The data submitted on this certification form is used, in part, to calculate the state aid due to the municipality for distribution to its pension plan. Because the commission's state aid allocation was based on unit value, the incorrect certification of pension data affected the commission's state aid allocation, as identified below:

	Type Of	Units		Unit	St	ate Aid
Year	Plan	Overstated	7	Value	Ove	rpayment
			'			_
2020	Police	2	\$	4,924	\$	9,848

In addition, the commission used the overpayment of state aid to pay the minimum municipal obligation (MMO) due to the police pension plan; therefore, if the reimbursement to the Commonwealth is made from the pension plan, the plan's MMO will not be fully paid.

Recommendation: We recommend that the total excess state aid, in the amount of \$9,848, plus interest, be returned to the Commonwealth. A check in this amount, with interest compounded annually from date of receipt to date of repayment, at a rate earned by the pension plan, should be made payable to: Commonwealth of Pennsylvania and mailed to: Department of the Auditor General, Municipal Pension & Fire Relief Programs Unit, 321 Finance Building, Harrisburg, PA 17120. A copy of the interest calculation must be submitted along with the check.

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN FINDING AND RECOMMENDATION

### <u>Finding – (Continued)</u>

We also recommend that in the future, plan officials establish adequate internal control procedures, such as having at least 2 people review the data certified, to ensure compliance with the instructions that accompany Certification Form AG 385 to assist them in accurately reporting the required pension data.

In addition, if the reimbursement to the Commonwealth is made from pension plan funds, we recommend that any resulting MMO deficiency be paid to the pension plan with interest, at a rate earned by the pension plan.

Management's Response: Municipal officials agreed with the finding without exception.

<u>Auditor's Conclusion</u>: Compliance will be monitored subsequent to the release of the audit report and through our next audit of the pension plan.

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

#### SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2015, is as follows:

	(1)	(2)	(3)	(4)
			Unfunded	
		Actuarial	(Assets in	
		Accrued	Excess of)	
	Actuarial	Liability	Actuarial	
Actuarial	Value of	(AAL) -	Accrued	Funded
Valuation	Assets	Entry Age	Liability	Ratio
Date	(a)	(b)	(b) - (a)	(a)/(b)
01-01-15	\$ 1,851,375	\$ 1,775,931	\$ (75,444)	104.2%
01-01-17	1,916,821	2,078,484	161,663	92.2%
01-01-19	2,102,245	2,280,099	177,854	92.2%

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

## SCHEDULE OF CONTRIBUTIONS FROM EMPLOYER AND OTHER CONTRIBUTING ENTITIES

Year Ended December 31	Annual Required Contribution	Percentage Contributed
2015	\$ 72,754	107.4%
2016	71,456	106.7%
2017	79,897	103.0%
2018	83,882	111.9%
2019	109,026	100.1%
2020	125,354	100.1%

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN SUPPLEMENTARY INFORMATION NOTES TO SUPPLEMENTARY SCHEDULES (UNAUDITED)

The information presented in the supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date January 1, 2019

Actuarial cost method Entry age normal

Amortization method Level dollar

Remaining amortization period 15 years

Asset valuation method Fair value

Actuarial assumptions:

Investment rate of return 7.5%

Projected salary increases 4.5%

Cost-of-living adjustments 3.0% per year postretirement

### TIADAGHTON VALLEY REGIONAL POLICE PENSION PLAN REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Tom W. Wolf

Governor Commonwealth of Pennsylvania

Mr. Sean Simcox
Chairman, Board of Commissioners

**Mr. Nathan DeRemer**Chief of Police

This report is a matter of public record and is available online at <a href="www.PaAuditor.gov">www.PaAuditor.gov</a>. Media questions about the report can be directed to the Pennsylvania Department of the Auditor General, Office of Communications, 229 Finance Building, Harrisburg, PA 17120; via email to: news@PaAuditor.gov.
