TIMOTHY L. DEFOOR
AUDITOR GENERAL

The Honorable Mayor and Borough Council
West Newton Borough
Westmoreland County
West Newton, PA 15089

We have conducted a compliance audit of the West Newton Borough Non-Uniformed Pension Plan for the period January 1, 2017 to December 31, 2021. We also evaluated compliance with some requirements subsequent to that period when possible. The audit was conducted pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report; and

2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report, we inquired of plan officials and evaluated supporting documentation provided by officials evidencing that the suggested corrective action has been appropriately taken. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- We determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the period under audit.

- We determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation.

- We determined whether annual employee contributions were calculated, deducted, and deposited into the pension plan in accordance with the plan's governing document and applicable laws and regulations by testing total members' contributions on an annual basis using the rates obtained from the plan's governing document in effect for all years within the period under audit and examining documents evidencing the deposit of these employee contributions into the pension plan.

- We determined whether retirement benefits calculated for plan members who retired during the current audit period, and through the completion of our fieldwork procedures, represent payments to all (and only) those entitled to receive them and were properly determined and disbursed in accordance with the plan's governing document, applicable laws, and regulations by recalculating the amount of the monthly pension benefits due to the retired individuals and comparing these amounts to supporting documentation evidencing amounts determined and payable to the recipients.

- We determined whether the January 1, 2017 and January 1, 2019 actuarial valuation reports were prepared and submitted by March 31, 2018 and 2020, respectively, in accordance with Act 205 and whether selected information provided on these reports is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

West Newton Borough contracted with an independent certified public accounting firm for an audits of its basic financial statements for the years 2017 and 2018; which are available at the borough's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

The West Newton Borough Non-Uniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Annual Comprehensive Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the West Newton Borough Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials, and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our procedures indicated that, in all significant respects, the West Newton Borough Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Inadequate Accounting/Reporting Over Activity Of The Pension Plan

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of West Newton Borough and, where appropriate, their responses have been included in the report. We would like to thank borough officials for the cooperation extended to us during the conduct of the audit.

Timothy L. DeFoor

CONTENTS

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the West Newton Borough Non-Uniformed Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 15 - Pennsylvania Municipal Retirement Law, Act of February 1, 1974 (P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.

The West Newton Borough Non-Uniformed Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 2019-7, and a separately executed plan agreement with the plan custodian, as amended, effective October 1, 2019, adopted pursuant to Act 15. Prior to October 1, 2019, the plan was locally controlled by the provisions of Ordinance No. 2013-1, and a custodial agreement, adopted pursuant to Act 15. The plan is also affected by the provisions of collective bargaining agreements between the borough and its non-uniformed employees. The plan was established January 1, 1993. Active members are required to contribute 3 percent of their compensation to the plan. As of December 31, 2021, the plan had four active members and six retirees receiving pension benefits.

WEST NEWTON BOROUGH NON-UNIFORMED PENSION PLAN
STATUS OF PRIOR FINDING

Compliance With Prior Recommendation

West Newton Borough has complied with the prior recommendation concerning the following:

- Incorrect Data On Certification Form AG 385 Resulting In An Overpayment Of State Aid

  On December 12, 2017, the borough returned $589 to the Commonwealth and complied with the instructions accompanying Certification Form AG 385 in accurately reporting the required pension data during the current audit period.

Finding – Inadequate Accounting/Reporting Over Activity Of The Pension Plan

Condition: The municipality's accounting/reporting system did not provide effective control over the transactional activity of the pension plan during the year 2021. Municipal officials were unable to furnish annual financial statements or custodial account statements summarizing the financial activity of its pension plan.

Criteria: An adequate system of accounting and record keeping is a prerequisite for sound administration of pension plans. In addition, assets held in a custodial account for the purpose of plan management are to be governed by the terms and provisions of the account contract, provided that the terms and provisions of the contract are within the parameters of all prevailing pension legislation. Although the municipality may contract with a trustee to administer the financial management of the plan, the fiduciary responsibility for the plan remains with the municipality.

Cause: Municipal officials did not maintain a separate detailed accounting of pension plan transactions which, among other things, helps assure the production of proper financial statements to effectively monitor the annual activity of the pension plan. Additionally, municipal officials indicated that the plan's custodian failed to provide copies of the custodial account transaction statements summarizing activity of the pension plan account for the year 2021.

Effect: Although we were able to obtain alternate documentation from the municipality to evidence the propriety of individual transactions tested during performance of the audit, the failure to maintain annual financial and/or account transaction statements prohibits municipal officials from effectively monitoring the plan's financial operations and could lead to undetected errors or improprieties in account transactions.

Recommendation: We recommend that municipal officials establish and maintain a financial accounting and reporting system that allows the municipality to effectively monitor the plan's financial operations, even in the absence of statements from the plan custodian. Municipal officials should refer to the Auditor General's Bulletin No. 2-88 entitled "Preparation, Maintenance and Auditability of Financial Records," for further guidance in establishing adequate accounting and record-keeping procedures. In addition, we recommend that municipal officials contact the plan custodian and obtain annual financial statements of the custodial account for its pension plan for the year 2021 to ensure the accuracy and propriety of the transaction activity.

Management's Response: Municipal officials agreed with the finding without exception.

Finding – (Continued)

Auditor's Conclusion: It was noted that the plan custodian recently went through a substantial upgrade to the plan administration software and implemented a new accounting system. The modernization process, along with the COVID-19 pandemic, resulted in unforeseen delays in the year-end reporting process for financial statements and GASB 68 reports. In addition, the custodian expects 2021 financial reports to be distributed before the end of 2022. Compliance with the finding recommendation will be evaluated during our next audit of the plan.

WEST NEWTON BOROUGH NON-UNIFORMED PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2015, is as follows:

	(1)	(2)	(3)	(4)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)
01-01-15	$ 564,584	$ 614,134	$ 49,550	91.9%
01-01-17	661,568	676,311	14,743	97.8%
01-01-19	756,375	767,708	11,333	98.5%

WEST NEWTON BOROUGH NON-UNIFORMED PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

WEST NEWTON BOROUGH NON-UNIFORMED PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

SCHEDULE OF CONTRIBUTIONS

Year Ended December 31	Actuarially Determined Contribution	Actual Contributions	Contribution Deficiency (Excess)	Covered-Employee Payroll*	Contributions as a Percentage of Covered-Employee Payroll
2014	$ 14,934	$ 19,463	$ (4,529)	$ 228,851	8.50%
2015	20,910	20,890	20	249,148	8.38%
2016	21,237	22,736	(1,499)	247,524	9.19%
2017	22,572	22,666	(94)	258,826	8.76%
2018	21,966	21,986	(20)	251,616	8.74%
2019	18,327	18,328	(1)	253,340	7.23%
2020	18,400	18,450	(50)		
2021	12,471	12,558	(183)		

* Due to the timing of this audit, covered-employee payroll for 2020 and 2021 was not provided in this schedule.

The information presented in the supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date	January 1, 2019
Actuarial cost method	Entry age normal
Amortization method	Level dollar for plan bases and an average for Aggregate Gain/Loss, 10% of surplus is credited against aggregate cost where applicable.
Remaining amortization period	7 years
Asset valuation method	The Actuarial Value of Assets equal the sum of all audited reserve funds as of the valuation date, including Member, Municipal, Retired, Disability, and DROP Reserves, when applicable, and a one year administration expense reserve, plus the portion of any additional investment income to be distributed as excess interest, based on PMRS Policy Statement 05-2. This asset valuation is based on the unique legislative structure of PMRS and the administrative rules adopted by the PMRS Board in conjunction with Pennsylvania Municipal Retirement Law.[1]
Actuarial assumptions:	
Investment rate of return *	5.25%, compounded annually, net of investment and administration expenses.
Projected salary increases *	2.8%-7.05%
* Includes inflation at	2.8%
Cost-of-living adjustments	2.8% per year, subject to plan limitations.

The information presented represents the most recently filed actuarial information available and although the actuarial valuation report valued 1-1-21 is currently due in accordance with Act 205, the municipality is working with the Municipal Pension Reporting Program as of the date of this report to finalize the information submitted.

---

[1] The administrative rules adopted by the PMRS Board, which are not subject to comply with Actuarial Standards of Practice (ASOP), when defining the Actuarial Value of Assets (AVA), does not necessarily meet the requirement of ASOP 44 Selection and Use of Asset Valuation Methods for Pension Valuations. The AVA provided within this report follow the Pennsylvania Municipal Retirement Law and the PMRS policy statement.
