AUDITOR GENERAL**

The Honorable Pat Browne  
Secretary  
Pennsylvania Department of Revenue  
Harrisburg, PA 17128

We have conducted a compliance audit of the District Court 19-1-04, York County, Pennsylvania (District Court), for the period January 1, 2020 to December 31, 2023, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c).

The objective of the audit was to determine whether the district court complied with state laws, regulations, and Administrative Office of Pennsylvania Courts (AOPC) policies and administrative procedures related to the collection of moneys on behalf of the Commonwealth, including whether moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted.

The procedures we performed are summarized below:

- Obtained data from the AOPC and the Pennsylvania Department of Revenue and determined whether:
  - Amounts provided by the AOPC match amounts received by the Department of Revenue.
  - The district court's distributions to the state agree with the data provided by the Department of Revenue.
- Compared collections by category of fines, fees, and surcharges for each year in the audit period to prior year collections and determined the reason(s) for any large or unusual variances.
- Evaluated data related to cases without collections or adjustments to fines, fees, or surcharges and, if considered necessary, evaluated selected cases to determine whether such cases were handled appropriately.
- Obtained an understanding of internal controls related to the audit objective.
- Determined the adequacy of the design and operating effectiveness of internal controls we considered significant to the audit objective.
- Evaluated deposits of collections for accuracy and timeliness.
- Determined whether disbursements were accurate.
- Determined whether manual receipts were accurate and properly recorded.

- Determined whether voided receipts were necessary and proper.
- Reviewed selected cases to determine if the district court properly assessed, collected, and recorded all applicable fines, costs, fees, and surcharges.
- Determined whether the court complied with laws, regulations, and AOPC procedures related to the issuance and returns or warrants, collections related to warrants, and accounting for collections in the AOPC computer system.

Our audit was limited to the areas identified above and was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

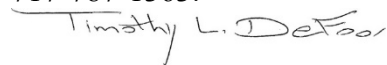

The district court is responsible for establishing and maintaining effective internal controls to provide reasonable assurance of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted. The district court is also responsible for complying with those laws and regulations. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2020 to December 31, 2023, the district court, in all significant respects, complied with state laws, regulations, and AOPC policies and administrative procedures related to the collection of moneys on behalf of the Commonwealth, except as noted in the findings listed below and discussed later in this report:

- Inadequate Arrest Warrant Procedures - Recurring.

This report includes a summary of the district court's receipts and disbursements of funds collected on behalf of the Commonwealth (summary), which the Department of Revenue may use to state and settle the district court's account. We obtained data representing the district court's receipts and disbursements from the Pennsylvania Department of Revenue, which obtains data from each of the Commonwealth's district courts and used the data to create the summary in the format required by the Department of Revenue. We also evaluated the accuracy of the data as part of our audit to conclude on the district court's compliance with certain state laws and regulations as described in the previous paragraph. Other than any adjustments that we considered necessary based on our audit work as disclosed in the *Proposed Audit Adjustments* line of the summary, nothing came to our attention to indicate inaccuracies in the amounts included in the summary.

The contents of this report were discussed with the District Court's management. We appreciate the courtesy extended to us by the York County District Court 19-1-04 during the course of our audit. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

DISTRICT COURT 19-1-04  
YORK COUNTY  
BACKGROUND  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2023

The Department of Auditor General is mandated by Article IV, Section 401(c) of *The Fiscal Code* (Act of April 9, 1929, P.L.343, No. 176), to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted.

District Court receipts are comprised of fines, costs, fees, and surcharges collected on behalf of the Commonwealth. These fines, costs, fees, and surcharges represent collections made on traffic, non-traffic, civil, and criminal cases filed with the District Court.

Total disbursements during the audit period are as follows:

District Court checks issued to:

DISTRICT COURT 19-1-04  
YORK COUNTY  
FINDING AND RECOMMENDATIONS  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2023

**Finding - Inadequate Arrest Warrant Procedures - Recurring**

We cited the issue of inadequate arrest warrant procedures in the prior audit for the period January 1, 2016 to December 31, 2019. Our current audit found that the office did not correct the issue.

Warrants are used to enforce the collection of monies on traffic and non-traffic cases in which defendants failed to make payments when required. A Warrant of Arrest (AOPC 417) is used to authorize an official to arrest a defendant, to collect fines and costs from the defendant after a disposition, or to collect collateral for a trial. If the defendant does not respond within ten days to a citation or summons, a Warrant of Arrest may be issued.

During our testing of warrant procedures, we noted that warrant procedures established by the *Magisterial District Judge Automated Office Clerical Procedures Manual* (Manual) were not always followed. The Magisterial District Judge did not consistently return or recall warrants when required.

We tested 57 instances in which a warrant was required to be returned or recalled. Our testing disclosed that 15 were not returned or recalled and 11 were not returned timely. The time of issuance to the time of return ranged from 189 days to 683 days.

The Manual establishes the uniform written internal control policies and procedures for all district courts.

**Warrant Return Procedures:** The Manual states that the Administrative Office of Pennsylvania Courts (AOPC) recommends that those in possession of arrest warrants should be notified to return warrants that have not been served. For summary traffic and non-traffic cases, outstanding warrants should be returned to the Magisterial District Judge's office within 120 days of issuance. Returned warrants can either be recorded in the Magisterial District Judge System (MDJS) as unserved, if the defendant is unable to be located; or they can be recalled for reissue, if the server has not exhausted all means of finding the defendant.

The court staff stated that they issued warrants to constables who did not return them in a timely manner. Adherence to the uniform internal control policies and procedures, as set forth in the Manual, would have ensured that there were adequate internal controls over warrants.

The failure to follow warrant procedures could result in uncollected fines and unpunished offenders. Additionally, the risk is increased for funds to be lost or misappropriated.

FINDING AND RECOMMENDATIONS  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2023

**Finding - Inadequate Arrest Warrant Procedures - Recurring (Continued)**

Recommendations

We strongly recommend that the district court review the tickler reports for warrants daily and take appropriate action as required by the Manual. We further recommend that the court review warrant control reports and notify police or other officials to return warrants that are unserved for 120 days for summary traffic and non-traffic cases as recommended by the Manual.

Management's Response

No formal response was offered at this time.

Auditors Conclusion

This is a recurring finding. It is imperative that the district court take all corrective actions necessary to comply with our recommendations. Failure to implement the recommended procedures could result in uncollected fines, unpunished offenders, and increase the potential for funds to be lost or misappropriated. During our next audit, we will determine if the district court complied with our recommendations.
