AUDITOR GENERAL

### Independent Auditor's Report

The Honorable Yassmin Gramian, P.E.  
Secretary  
Department of Transportation  
Harrisburg, PA 17120

We examined the accompanying Form MS-965 With Adjustments for the Liquid Fuels Tax Fund of the Township of Unity, Westmoreland County, for the period January 1, 2020 to December 31, 2020. The municipality's management is responsible for presenting the Form MS-965 in accordance with the criteria described in the Background section of this report and the Department of Transportation's *Publication 9*. Our responsibility is to express an opinion on the Form MS-965 With Adjustments based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Form MS-965 is presented in accordance with the criteria described above, in all material respects. An examination involves performing procedures to obtain evidence about the Form MS-965. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of the Form MS-965, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

As discussed in the Finding And Recommendations section of this report, the municipality expended \$78,192.82 from the Liquid Fuels Tax Fund for the purchase of an excavator that was restrictively bid.

In our opinion, except for the matter discussed in the preceding paragraph, the Form MS-965 With Adjustments presents, in all material respects, the information required by the Pennsylvania Department of Transportation for the Liquid Fuels Tax Fund of the Township of Unity, Westmoreland County, for the period January 1, 2020 to December 31, 2020, in accordance with the criteria described in the Background section of this report and the Department of Transportation's *Publication 9*.

## Independent Auditor's Report (Continued)

In accordance with *Government Auditing Standards*, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; fraud and noncompliance with provisions of laws or regulations that have a material effect on the Form MS-965; and any other instances that warrant the attention of those charged with governance; noncompliance with provisions of contracts or grant agreements, and abuse that has a material effect on the Form MS-965. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on whether the Form MS-965 is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on internal control over reporting on the Form MS-965 or on compliance and other matters; accordingly, we express no such opinions.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Form MS-965 will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over reporting on the Form MS-965 was for the limited purpose of expressing an opinion on whether the Form MS-965 is presented in accordance with the criteria described above and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our engagement we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

As part of obtaining reasonable assurance about whether the Form MS-965 is free from material misstatement, we performed tests of the Township of Unity, Westmoreland County's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of amounts on the Form MS-965. However, providing an opinion on compliance with those provisions was not an objective of our engagement, and accordingly, we do not express such an opinion. The results of our tests disclosed the following instance of noncompliance that is required to be reported under *Government Auditing Standards*:

- Restrictive Bidding.

Independent Auditor's Report (Continued)

The purpose of this report is to determine whether the municipality's Liquid Fuels Tax Fund money is spent in accordance with the laws and regulations identified in the Background section of this report and the Department of Transportation's *Publication 9*. This report is not suitable for any other purpose.

We appreciate the courtesy extended by the Township of Unity, Westmoreland County, to us during the course of our examination. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

A handwritten signature in black ink that reads "Timothy L. DeFoor". The signature is written in a cursive style with a horizontal line above the first name.

TOWNSHIP OF UNITY  
WESTMORELAND COUNTY  
LIQUID FUELS TAX FUND  
BACKGROUND  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

Background

The Liquid Fuels Tax Municipal Allocation Law, Act 655 of 1956, as amended, see also 72 P.S. § 2615.5, et sec., provides municipalities other than counties (i.e., townships, boroughs, cities, towns, home rule, and optional plan governments) with an annual allocation of liquid fuels taxes from the state's Motor License Fund to be used for the maintenance and repair of streets, roads, and bridges for which the municipality is responsible. The allocation of these funds to municipalities is based upon: (1) 50 percent on the municipality's proportion of local road mileage to the total local road mileage in the state; and (2) 50 percent on the proportion of a municipality's population to the total population in the state.

Title 75 Pa.C.S. § 9511 of the Pennsylvania Vehicle Code provides municipalities with annual maintenance payments to be received from the Motor License Fund for functionally local highways that were transferred to a municipality from the Commonwealth of Pennsylvania.

Each municipality must deposit the allocation of Liquid Fuels Tax funds and annual maintenance payments that it receives into a special fund called either the Municipal Liquid Fuels Tax Fund or State Fund. A municipality may not deposit any other monies into this fund except when the municipality does not have enough money in the special fund to meet the payments called for by its current annual budget for road and bridge purposes. In such a case, the municipality may borrow money or transfer money from its General Fund to its Liquid Fuels Tax Fund.

The Department of Transportation has been given the regulatory authority for the administration of these funds. Department of Transportation's *Publication 9* includes the policies and procedures for the administration of Act 655, as amended, and the Liquid Fuels Tax Fund money. However, if there is a difference between *Publication 9* and any legislation, the legislation shall govern.

To qualify for the annual allocation of Liquid Fuels Tax funds, *Publication 9* indicates that each municipality shall:

1. Submit annual reports (MS-965, Actual Use Report, MS-965P, Project and Miscellaneous Receipts, and MS-965S, Record of Checks).
2. Make deposits and payments or expenditures in compliance with Act 655 of 1956, as amended. Failure to do so may result in not receiving allocations from PennDOT until all discrepancies are resolved. *Publication 9*, Section 2.6, includes information about investing Liquid Fuels Tax monies, using loan or bond proceeds, and types of receipts into the Liquid Fuels Tax Fund.

TOWNSHIP OF UNITY  
 WESTMORELAND COUNTY  
 LIQUID FUELS TAX FUND  
 BACKGROUND  
 FOR THE PERIOD  
 JANUARY 1, 2020 TO DECEMBER 31, 2020

Background (Continued)

3. Submit the Pennsylvania Department of Community and Economic Development’s (DCED) Report of Elected and Appointed Officials by January 31<sup>st</sup> and the Survey of Financial Condition By March 15<sup>th</sup>.
4. Ensure resolution of all Contractor Responsibility Program (CRP) holds and blocks imposed by the Department of Revenue and the Department of Labor and Industry.
5. Ensure resolution of all reimbursements required as a result of audits performed by the Department of the Auditor General or monitoring reviews performed by the Department of Transportation’s Financial Consultants.

*Criteria*

The criteria for the Form MS-965 With Adjustment are described below.

Section 1 of Form MS-965 With Adjustments provides a summary of Liquid Fuels Tax Fund expenditures by category. Categories requiring explanation include:

- Major equipment purchases are purchases of road machinery and road equipment with varying yearly costs in excess of the amounts indicated below:

2018	2019	2020	2021
\$10,900.00	\$11,100.00	\$11,300.00	\$11,500.00

- Minor equipment purchases are purchases of road machinery and road equipment with varying yearly costs that are less than or equal to the amounts indicated below:

2018	2019	2020	2021
\$10,900.00	\$11,100.00	\$11,300.00	\$11,500.00

- Agility projects are exchanges of services with the Department of Transportation.

TOWNSHIP OF UNITY  
WESTMORELAND COUNTY  
LIQUID FUELS TAX FUND  
BACKGROUND  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

Background (Continued)

Section 2 of Form MS-965 With Adjustments provides information on the fund balance. Categories requiring explanation include:

- The state allocation is available from the Department of Transportation in March of each year. The amount the municipality receives is based half on its population and half on its road mileage.
- Municipalities that transferred roads from the Commonwealth of Pennsylvania to the municipality through the Highway Transfer Program receive annual turnback allocations in March of each year from the Department of Transportation. Turnback allocations are based on the mileage of the roads transferred.
- Expenditures include the total transferred from Section 1.

Section 3 of Form MS-965 With Adjustments determines if the municipality expended Liquid Fuels Tax Fund money in excess of the permissible amount for equipment and the balance that the municipality may carry forward for the purchase of equipment to the subsequent year.

Department of Transportation *Publication 9* requires that the amount expended for equipment purchases in a given year not exceed the sum of the equipment balance carried forward from the previous year and 20 percent of the current year's Liquid Fuels Tax Fund allocation and, if applicable, 20 percent of the turnback allocation plus other Department of Transportation approved adjustments.

If the municipality spent in excess of the amount listed on Line 4, the excess must be reimbursed to the Liquid Fuels Tax Fund.

The equipment balance to be carried forward for the subsequent year is the lesser of the amount on Line 6 or the ending fund balance on Line 6 of Section 2, but not less than zero.

TOWNSHIP OF UNITY  
WESTMORELAND COUNTY  
LIQUID FUELS TAX FUND  
BACKGROUND  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

Background (Continued)

*Basis of Presentation*

The financial activities of the municipality are accounted for in separate funds. The Liquid Fuels Tax Fund is used to account for state aid revenues from the Pennsylvania Department of Transportation used primarily for building and improving local roads and bridges. The Form MS-965 has been prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Transportation as a result of the Fuels Tax Act 655, dated 1956 and as amended, which does not constitute a complete presentation of the entity's assets, liabilities, expenses, and fund balance. Accordingly, the presentation of Form MS-965 With Adjustments is restricted to the Liquid Fuels Tax Fund, which represents a segment of the entity.

*Basis Of Accounting*

The accompanying Form MS-965 With Adjustments is prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Transportation. Under this method, revenues are recognized when received and expenditures are recorded when paid.

*General Fixed Assets*

General fixed assets are recognized as expenditures at the time of purchase. No depreciation has been provided on the heavy equipment used to maintain and repair roads and bridges.

LIQUID FUELS TAX FUND  
AUDITOR DESCRIPTION OF SELECT TRANSACTIONS  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

The following information relates to certain types of transactions for which the Pennsylvania Department of Transportation requested that we provide additional detail:3

Lease-Purchase Agreement

On May 16, 2017, the municipality purchased a 2017 Lee Boy asphalt paver for \$200,424.25, plus a document fee of \$250.00. The municipality made a down payment of \$50,764.42 from the Liquid Fuel Tax Fund. The municipality leased the balance of \$149,909.83 from TCF Equipment Finances, a division of TFC Nation Bank. The agreement was for a term of three years at an interest rate of .79 percent. Principal and interest payments of \$50,764.42 are due annually. Prior years' principal and interest payments from the Liquid Fuels Tax Fund were \$99,544.73 and \$1,984.11, respectively.

During the current examination period, the municipality paid principal of \$50,365.10 and interest of \$399.32 from the Liquid Fuels Tax Fund. These amounts are reflected in major equipment purchases on the 2020 Form MS-965 - Section 1. As of May 20, 2020, the lease-purchase was paid-in-full.

Lease-Purchase Agreement

On December 17, 2018, the municipality entered into a lease-purchase agreement to purchase a 2019 International Crosswind street sweeper for \$265,415.93 from Laurel Mountain Leasing and Financial Services. The agreement was for a term of five years at an interest rate of 4.36 percent. Principal and interest payments of \$59,208.66 are due annually. Prior years' principal and interest payments from the Liquid Fuels Tax Fund were \$54,440.39 and \$4,768.27, respectively.

During the current examination period, the municipality paid principal of \$49,101.36 and interest of \$10,107.30 from the Liquid Fuels Tax Fund. These amounts are reflected in major equipment purchases on the 2020 Form MS-965 - Section 1. The outstanding balance of the lease-purchase agreement as of December 31, 2020, was \$161,874.18, plus interest.

TOWNSHIP OF UNITY  
WESTMORELAND COUNTY  
LIQUID FUELS TAX FUND  
AUDITOR DESCRIPTION OF SELECT TRANSACTIONS  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

Lease-Purchase Agreement

On February 20, 2020, the municipality purchased an XL 3100 V Gradall 4x2 hydraulic excavator for \$370,907.00 less a trade-in of \$10,000.00. The municipality entered into a lease-purchase agreement with TFC Equipment Finance for the remaining \$360,907.00. The agreement was for a term of five years at an interest rate of 3.89 percent. Principal and interest payments of \$77,792.82 are due annually.

The municipality paid principal of \$77,792.82 and a document fee of \$400.00 from the Liquid Fuel Tax Fund. These amounts are reflected in major equipment purchase on the 2020 Form MS-965 - Section 1. Because the excavator was restrictively bid, Liquid Fuels Tax Fund money should not be used to make any payments from the Liquid Fuels Tax Fund (see Finding). The outstanding balance of the lease-purchase agreement as of December 31, 2020, was \$283,114.18, plus interest.

TOWNSHIP OF UNITY  
WESTMORELAND COUNTY  
LIQUID FUELS TAX FUND  
FINDING AND RECOMMENDATIONS  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

**Finding - Restrictive Bidding**

Our examination disclosed that on February 20, 2020, the municipality expended \$78,192.82 from the Liquid Fuels Tax Fund for the purchase of XL 3100 V Gradall 4x2 hydraulic excavator. The advertisement for this purchase requested sealed proposals for XL 3100 V Gradall 4x2 hydraulic excavator which is a brand name. The use of brand names in advertising for equipment without including the words “or its equivalent,” is considered restrictive bidding, and therefore, is prohibited by the Department of Transportation’s *Publication 9*, § 449.3(f), which states:

Brand names. In advertising for equipment to be rented or purchased, or for materials to be purchased or delivered in place, it is unlawful to require or specify any particular make or brand thereof, thereby excluding other makes or brands; however, a particular brand name or its equivalent may be specified if equal consideration is given to all brands which are reasonably similar to the specified brand. Such specifications must be reasonable and not merely imposed in order to exclude some brands of equipment or material in favor of other brands.

This condition occurred because the municipality feels that its purchase was made in accordance with *The Second Class Township Code*.

The failure to follow the Department of Transportation’s *Publication 9* as noted above could result in the municipality having to reimburse \$78,192.82 to its Liquid Fuels Tax Fund.

**Recommendations**

We recommend that the municipality reimburse \$78,192.82 to its Liquid Fuels Tax Fund upon official notification by the Department of Transportation.

We further recommend that, in the future, the municipality follow with the Department of Transportation’s *Publication 9* if it uses brand names in future advertisements for purchases as cited above.

**Management’s Response**

The municipal officials stated:

Under the contract provisions of *The Second Class Township Code*, the Supervisors specifically authorized to procure particular types, models, or pieces of equipment, appliances, vehicles, or parts there of which are patented and manufactured products without bidding (See 3101 (h)(a) of the code). There is no equivalent equipment for the Gradall that was purchased.

TOWNSHIP OF UNITY  
WESTMORELAND COUNTY  
LIQUID FUELS TAX FUND  
FINDING AND RECOMMENDATIONS  
FOR THE PERIOD  
JANUARY 1, 2020 TO DECEMBER 31, 2020

**Finding - Restrictive Bidding (Continued)**

Auditor's Conclusion

The municipality is required to follow the Department of Transportation's *Publication 9* for purchases from its Liquid Fuels Tax Fund. *Publication 9* requires municipalities to state "or its equivalent" when citing brand names in advertisements for equipment. The municipality did not do so. The Department of Transportation will determine if the municipality is required to reimburse \$78,192.82 to its Liquid Fuels Tax Fund. During our next examination, we will determine if the municipality complied with our recommendations.
