Dear Dr. Feeley and Dr. Cohen:

We conducted a Limited Procedures Engagement (LPE) of the Lower Moreland Township School District (District) to determine its compliance with certain relevant state laws, regulations, policies, and administrative procedures (relevant requirements). The LPE covers the period July 1, 2012 through June 30, 2015. The engagement was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania and The Fiscal Code, 72 P.S. § 403, but was not conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States.

As we conducted our LPE procedures, we sought to determine answers to the following questions, which serve as our LPE objectives:

- Did the District have documented board policies and administrative procedures related to the following?
  - Internal controls
  - Budgeting practices
  - The Right-to-Know Law
  - The Sunshine Act
- Were the policies and procedures adequate and appropriate, and have they been properly implemented?
- Did the District comply with the relevant requirements in the Right-to-Know Law and the Sunshine Act?
- Did the District take appropriate corrective action to address the verbal comments made in our prior audit, and were the actions taken into effect?

Dr. Marykay Feeley

Dr. Murray Cohen

Our engagement found that the District properly implemented policies and procedures for the areas mentioned above and complied, in all significant respects, with relevant requirements. We appreciate the District's cooperation during the conduct of the engagement.

Sincerely,
