Re: Brandywine Hospital

Dear Mr. Ehinger:

The Tobacco Settlement Act of June 26, 2001 (P.L. 755, No. 77), as amended, 35 P.S. § 5701.101 et seq., mandated the Department of Human Services (DHS) to make payments to hospitals for a portion of uncompensated care services provided by these facilities. Hospitals that qualify can receive payments using either an uncompensated care approach or an extraordinary expense approach. The uncompensated care score of each hospital is determined by using three-year averages from five main data elements (for a total of fifteen data elements). These data elements are uncompensated care costs, net patient revenues, Medicare supplemental security income (Medicare SSI) days, Medical Assistance (MA) days and total inpatient days. A hospital qualifies for an extraordinary expense payment based on their number of qualified claims. Qualified claims are those claims in which the cost of the claim exceeds twice the average cost of all claims for that particular facility and for which the hospital provided inpatient services to an uninsured patient.

At the request of DHS, the Department of the Auditor General performed a review<sup>1</sup> of Brandywine Hospital's records to substantiate the claims data and days data it submitted to the Pennsylvania Health Care Cost Containment Council (PHC4) and the DHS, respectively.

The purpose of our review was to determine whether this facility could substantiate its fiscal year ended June 30, 2017 reported claims and verify whether corresponding patients were uninsured and the facility received no compensation from third party payers such as Medicare, Medicaid, or Blue Cross. Payments made by the patients themselves toward their financial obligations may have reduced the allowable costs of the respective claim when determining

eligibility. We also determined whether this facility could substantiate total MA days as reported on its submitted MA-336 cost reports for the fiscal years ended June 30, 2015 and June 30, 2016.

The results of our review are as follows:

**For Reported Claims:**

Based on the PHC4 claims database for the fiscal year ended June 30, 2017, the facility reported two potentially eligible extraordinary expense claims for review. The results of our review disclosed that one of the two reported potentially eligible extraordinary expense claims met the criteria to qualify as an extraordinary expense claim. The chart below details our results and explains any adjustments that should be made to the PHC4 Database. Since we determined that one of the reported claims submitted by the facility qualifies as an extraordinary expense claim, this facility could be eligible for payment under the extraordinary expense method for the 2019 Tobacco Settlement Payment Year.

Claim No.	Originally Reported Total Charges	Substantiated Total Charges Based on Account Notes	Patient Payments Applied to Account	Qualify (Y/N) – Reason for Not Qualifying	Adjustment(s) Needed
1	\$333,356.81	\$333,356.81	\$0	Y	N/A
2	\$203,432.73	\$0	\$0	N – Claim paid in full	Claim should be removed from self-pay listing

**For MA Days:**

For the total MA days for fiscal years ended June 30, 2015 and 2016, our results are as follows:

For FYE 6/30/15	Originally Submitted Number of Days	Substantiated Number Based on Source Documents	Explanation of Difference
FFS Days	1,251	1,224	Reporting error
HMO Days	4,088	4,128	Reporting error
OOS Days	287	287	N/A

For FYE 6/30/16	Originally Submitted Number of Days	Substantiated Number Based on Source Documents	Explanation of Difference
FFS Days	1,179	1,179	N/A
HMO Days	5,743	5,743	N/A
OOS Days	105	105	N/A

The DHS will use all substantiated reported claims and number of days to calculate Brandywine Hospital's eligibility to receive, and if deemed eligible, its subsidy entitlement under both the extraordinary expense and uncompensated care methods. If eligible under both methods, DHS will allow the facility to choose the method to be used to calculate the facility's 2019 Tobacco Settlement subsidy entitlement payment. DHS establishes the date that these payments will be distributed to all eligible hospitals.

Our office is currently reviewing all facilities that are potentially eligible for a 2019 Tobacco Settlement subsidy entitlement payment. After all the reviews are completed, we will prepare for DHS' use a report detailing the results of all of our reviews. The PHC4 and the DHS will contact you with instructions regarding entering adjustments to your facility's originally submitted claims and MA days data based on the results of our review.

As a reminder, Brandywine Hospital may submit for our review any claims coded as having Medicare, Medicaid, or any other insurance when submitted to PHC4 for the fiscal year ended June 30, 2017, which the facility now believes qualify as self-pay claims, and which have total charges above Brandywine Hospital's threshold of \$173,935.06. We refer to these types of claims as "additional claims" and these additional claims must be submitted to the Department of the Auditor General no later than October 31, 2018. The results of our review of each facility's submitted additional claims data will be detailed in individualized reports sent to each respective hospital that submitted additional claims.

We thank the staff of Brandywine Hospital for the cooperation extended to us during the course of our review. If you have any questions, please feel free to contact Tracie Fountain, CPA, Director, Bureau of Children and Youth Services Audits at 717-787-1159.

Sincerely,
