**TIMOTHY L. DEFOOR
AUDITOR GENERAL**

The Honorable Mayor and Borough Council
Yeadon Borough
Delaware County
Yeadon, PA 19050

We have conducted a compliance audit of the Yeadon Borough Non-Uniformed Pension Plan pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objective.

The objective of the audit was to determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the area related to the objective identified above. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- For the period January 1, 2022 to December 31, 2023, we determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt.

- For the period January 1, 2022 to December 31, 2023, we determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation. Employer contributions that were deposited into the pension plan for the years ended December 31, 2018 to December 31, 2023, are presented on the Summary of Deposited State Aid and Employer Contributions.
- For the period January 1, 2022 to December 31, 2023, we determined that there were no employee contributions required by the plan's governing document and applicable laws and regulations.
- For the period January 1, 2022 to December 31, 2023, we determined whether retirement benefits calculated for plan members who separated employment and received a lump-sum distribution during the period noted represent payments to all (and only) those entitled to receive them and were properly determined and disbursed in accordance with the plan's governing document, applicable laws, and regulations by recalculating the amount of the pension benefits due to the retired individuals and comparing these amounts to supporting documentation evidencing amounts determined and actually paid to the recipients.
- We determined whether the January 1, 2023 actuarial valuation report was prepared and submitted by March 31, 2024 in accordance with Act 205 and whether selected information provided on this report is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Yeadon Borough Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials, and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objective.

The results of our procedures indicated that, in all significant respects, the Yeadon Borough Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies for the periods noted above, except as noted in the following finding further discussed later in this report:

Finding – Incorrect Data On Certification Form AG 385 Resulting In An Underpayment Of State Aid

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Yeadon Borough and, where appropriate, their responses have been included in the report. We would like to thank borough officials for the cooperation extended to us during the conduct of the audit.

A handwritten signature in black ink that reads "Timothy L. DeFoor". The signature is written in a cursive style with a long horizontal line extending to the left of the first letter.

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a two percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Yeadon Borough Non-Uniformed Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes.

The Yeadon Borough Non-Uniformed Pension Plan is a single-employer defined contribution pension plan locally controlled by the provisions of Resolution No. 04-15. The plan is also affected by the provisions of collective bargaining agreements between the borough and its non-uniformed employees. The plan was established January 1, 2001. Active members are not required to contribute to the plan. The municipality is required to contribute \$2.74 per hour worked per employee for the year 2022 and \$2.84 per hour worked per employee for the year 2023. As of December 31, 2023, the plan had 13 active members and 3 terminated members eligible for vested benefits in the future.

YEADON BOROUGH NON-UNIFORMED PENSION PLAN
FINDING AND RECOMMENDATION

Finding – Incorrect Data On Certification Form AG 385 Resulting In An Underpayment Of State Aid

Condition: The borough failed to certify two eligible non-uniformed employees (2 units) and understated payroll by \$135,146 on the Certification Form AG 385 filed in 2023. The data contained on this certification form is based on prior calendar year information.

Criteria: Pursuant to Act 205, at Section 402(e)(2), an employee who has been employed on a full-time basis for at least six consecutive months and has been participating in a pension plan during the certification year is eligible for certification.

Cause: The employees were hired in 2022 and became eligible for plan membership later in 2022 following six months of employment, in accordance with plan provisions. As such, the employees met the eligibility requirements in 2022 to be certified on the Certification Form AG 385 filed in 2023, and the borough lacked adequate internal control procedures to ensure the accuracy of the certified data prior to submission.

Effect: The data submitted on this certification form is used, in part, to calculate the state aid due to the municipality for distribution to its pension plans. Because the borough’s state aid allocation was based on unit value, the borough received an underpayment of state aid as identified below:

<u>Year</u>	<u>Units Understated</u>	<u>Unit Value</u>	<u>State Aid Underpayment</u>
2023	2	\$ 5,828	\$ 11,656

Although the additional state aid will be allocated to the borough, the full amount of the 2023 state aid allocation was not available to be deposited timely and therefore resulted in the borough having to make additional municipal contributions in order to meet its plans’ funding obligations.

Recommendation: We recommend that in the future, plan officials establish adequate internal control procedures, such as having at least two people review the data certified, to ensure compliance with the instructions that accompany Certification Form AG 385 to assist them in accurately reporting the required pension data.

Management’s Response: Municipal officials agreed with the finding and indicated they have put in place measures that will allow the borough to be proactive to ensure that all employees will be included in the certification process for state aid.

Auditor’s Conclusion: Compliance will be evaluated during the next audit of the plan.

YEADON BOROUGH NON-UNIFORMED PENSION PLAN
SUMMARY OF DEPOSITED STATE AID AND EMPLOYER CONTRIBUTIONS
(UNAUDITED)

Year Ended December 31	State Aid	Employer Contributions
2018	None	\$ 54,310
2019	None	49,386
2020	None	66,150
2021	None	77,282
2022	None	72,611
2023	None	77,698

Note: In 2021, the borough met the plan's \$77,282 funding requirement through the deposit of \$10,606 in terminated employee forfeitures and \$66,676 in employer contributions. In 2022, the borough met the plan's \$72,611 funding requirement through the deposit of \$9,619 in terminated employee forfeitures and \$62,992 in employer contributions. In 2023, the borough met the plan's \$77,698 funding requirement through the deposit of \$17,699 in terminated employee forfeitures and \$59,999 in employer contributions.
